

poolhouse records Presents JASPA

JASPA are a 4 piece band influenced by great music, past and present. The diversity of their repertoire of covers and original songs with their recent album 'Save Me' enables them to perform live at a variety of festivals, night clubs, pubs and piano bars, as well as municipal events principally in the PACA region (Provence, Alpes, Cote d'Azur) in the south of France but also throughout France and Europe. On stage they present a show of tireless energy blending pop and modern rock. A dynamic performance with a wide range of musical styles fit for any event and the pleasure of all. Philippe, Franck and Didier's music together with Jaspa's breathtaking 'rock' vocals, she is English by the way, have enabled them to gather a large fan base and receive worldwide radio exposure by developing a sound that is distinctly their own... fresh and irresistible.
